◀ Step 7: Accept Terms and Conditions

You will be prompted with a pop-up to accept Terms and Conditions (T&C) for the balance transfer. To agree, type your name and tap Accept.

Balance Transfer Terms & Conditions ✕

Balance transfers are subject to the terms and conditions as previously disclosed in your Account Opening Disclosure and/or promotional offer (if applicable) made to you. A balance transfer may not be approved if you do not have enough available credit, your account is past due, charged off or closed, you have filed bankruptcy or we suspect fraud. Balance transfers do not accrue Reward points and may not be used to pay another First Tech account. Until your transferred balance posts to your First Tech account, you may still need to make at least a minimum payment to your other lender.
