STEP-BY-STEP GUIDE: Online Banking
How to activate a new card

Step 1: Locate your card

Log in to Online Banking and click on the MANAGE CARDS widget in the menu on the left. If you don’t see the MANAGE CARDS widget, you can find it by clicking the MORE option. Next, locate your new card and click on the card image. Any card that has not yet been activated should have a green banner over it as seen below.
Step 2: Navigate to activation menu

You'll see a tab labeled Activate Your New Card. Click the arrow on the right to open the dropdown menu and enter the CVC (card verification code) to activate the card.

Step 3: Confirm Activation

After you click Submit, a success message should appear, confirming your card’s activation.
