How to Read Your New Statement

Your business account statement has been redesigned to help you quickly identify important information about your account.

Payment Information is where you will find:
- New balance
- Minimum payment due
- Due date

This at-a-glance summary provides you with important account information

A quick view of account information including:
- New balance
- Payment due date
- Amount past due
- Minimum payment due

Find transactions listed by category type, including:
- Standard card transactions
- Fees for items such as cash advances and late charges
- Interest charges

Transactions will continue to be grouped by cardholder if your statements are currently set up that way

Easily locate year-to-date totals for fees and interest
