FIRST TECH IS NATION'S FIRST CREDIT UNION TO INTRODUCE NATIVE WINDOWS PHONE BANKING APP

First Tech Continues its Mission to let Members Bank When, Where and How They Please

Mountain View, Calif. – April 1, 2013 – First Tech Federal Credit Union, the nation's leading credit union serving employees and family members of America's technology sector, introduces its new Windows Phone mobile banking app, marking its third mobile banking app. First Tech is the first credit union in the United States to introduce a native Windows Phone mobile banking app complete with integrated mobile deposit and bill pay functionality. First Tech members can now bank from their Windows Phone, iPhone or Android smart phone anytime, anywhere. First Tech launched its first mobile app for iOS and Android platforms in August 2012.

The First Tech Windows Phone app is a free download for its members at windowsphone.com. App features include:

- Access to First Tech accounts anytime, anywhere:
 - Check account balances
 - View transaction history
- Complete transactions:
 - Make deposits with mobile e-deposit
 - Pay bills
 - Transfer funds between First Tech accounts
- Find a First Tech branch:
 - Search for a nearby branch and get hours and contact info
- Locate ATMs across the U.S.
 - Green pins on the map mark more than 28,000 ATMs, free for all First Tech members

“As Microsoft’s credit union, it’s very important for us to serve our members and demonstrate our support of the Windows 8 mobile platform,” said Greg Mitchell, president and CEO of First Tech Federal Credit Union. “We’re proud to be the first credit union in the country to offer a native mobile app for smart phones powered by Microsoft. This addition to the First Tech suite of products is yet another step in our plan to provide members with state-of-the-art products and services and the ability to transact anytime and at any place of their choosing.”

First Tech will launch its new Windows phone app on-site at the main Microsoft campus in Redmond, Wash. Tuesday, giving employees of Microsoft an in-depth look at this new platform. Microsoft employees and First Tech members will be able to view the app on a giant Microtile phone display, chat with First Tech App experts and personalize their Windows Phone at a laser engraving station.
