**Fees:** First Tech may charge a fee for incoming wire transfers. See Fee Schedule at [firsttechfed.com](http://firsttechfed.com). The originating and/or correspondent bank(s) may assess additional fees. Please note that First Tech has no foreknowledge or control of any fees that may be taken out by other institutions before the wire arrives at First Tech.

**Rates:** Conversion rates for accepted foreign currencies are set by our foreign wire intermediary, and not by First Tech. All funds wired in accepted foreign currency are converted by an intermediary bank prior to their arrival at First Tech.

Exchange rates will vary depending on when the wire is received and converted, therefore, First Tech cannot quote incoming wire rates. If you would prefer to know the exchange rate in advance, please ask the originating institution to convert the funds from their currency to U.S. dollar prior to sending the wire.

For questions concerning incoming wires, call our Contact Experience Center at 855.855.8805.
