Subordination Request Information

SUBORDINATION CONDITIONS
The loan must meet the following conditions for us to approve a subordination request:

- The borrower has had no more than one 30-day late payment in the last 12 months AND the loan is paid current as of the date we receive the subordination request.
- We remain in a second lien position only. We’ll deny any request that places First Tech in a lower lien position.
- Any request that results in a higher loan-to-value ratio than the loan we originated may require additional management approval.
- If the loan subordination request is for a home equity line of credit, we’ll conduct a management review and may require a credit limit reduction.
- If the subject property was the borrower’s primary residence at the time of loan origination but is no longer, we may require a credit limit modification.
