STEP-BY-STEP GUIDE: Mobile Banking

Adding an External Account

3) Choose “Add Account“:

4) Click “External Account” and enter your account information (red circles below, 1-5), then click “Continue”:
5) Next, you will need to verify your identity; once you enter your information and receive your code, enter the verification code you received via email or phone:

6) Confirm that your external account belongs to you by entering the two deposit transactions First Tech sends to your external account *(Note: This process may take up to three business days; Once the deposit transactions are posted to your external account, go to “Settings”)*:
7) Next, under “Settings,” click “Account” and then “Confirm” the deposit transactions that are in your account:
8) Lastly, enter the two deposit amounts ("Trial Transfers") that show up in your external account’s transactions history and click “Confirm”:
